MİSYON

Profesyonel ekipler tarafından özenle tasarlanmış kaliteli ,zengin seçenekli banyo ve mutfak mobilyalarını ve duşakabin sistemlerini her bütçeye uyum sağlayabilecek şekilde maksimum sayıdaki kullanıcıların beğenisine sunmak.

Operating in the building materials sector in Bursa since 1975, Aquanil started production in 2010. It continues to produce shower cabin systems, bathroom and kitchen furniture at global standards with the latest technology machinery in a 10.000 m² closed area and in its own production facilities in the İnegöl organized industrial zone for furniture and woodwork.

Continuing to grow its business volume while continuously improving as a company sensitive to the environment and the community, Aquanil contributes to Turkey’s economy with its added value.

In addition to its production facilities, Aquanil operates with a store in Bursa Üçevler and a regional office in Istanbul Beylikdüzü.

With years of experience, Aquanil aims to offer you the highest quality product and services, and to respond to your needs with a wide range of products.

Quality is indispensable for Aquanil. Thus, ensuring customer satisfaction and guaranteeing after-sales service are also inseparable elements of the company.

Breathing a new life into the sector with its young and dynamic staff, Aquanil has been one of the companies preferred by local and global consumers.

OUR VALUES

Trust is the base of our business. We take responsibility to protect the trust of our employees, especially our customers, and all our stakeholders in the aquanil brand.

Thinking about the future, we constantly strive to be innovative and achieve better.

We always look for human interest in achieving our goals.

Aquanil guarantees quality and sustainable services.

VISION

To provide quality products and services that will ensure continuous customer satisfaction by bringing innovation and design together, and to be always preferred.

MISSION

To offer high quality, rich selection of shower cabin systems, bathroom, and kitchen furniture meticulously designed by professional teams to the maximum number of users for every budget.
